

**The Dan'l Webster Inn & Spa Earns Recertification "INN" Quality Assurance
From Prestigious Trade Association**

Marshall, Mich. (Date) Select Registry™, Distinguished Inns of North America, (www.selectregistry.com) proudly announces that the Dan'l Webster Inn & Spa of Sandwich has passed inspection and continues to be a member in good standing of the association. This elite network of celebrated inns and B&Bs across North America has a 40-year history of outstanding quality assurance with the longest, continuously running inspection program in the industry. Of the more than 20,000 bed and breakfasts in North America, only about 400 have qualified for membership in Select Registry. To become a member lodgings must pass rigorous, ongoing inspections to demonstrate that they represent the very best the industry has to offer. An unidentified, unannounced inspector scrutinizes every detail of each inn's appearance, amenities, service, food and beverage program, and more.

"Select Registry's distinctive quality assurance program underscores our commitment to an exceptional guest experience and the Dan'l Webster Inn & Spa continues to meet these high standards," stated William R. Carlson, Executive Director of Select Registry. "This means that one of the finest inns in North America is available locally to enjoy yourself for weekend romantic getaways or to host friends and loved ones while they are visiting."

Established more than 40 years ago, Select Registry sets the standard for excellence with the longest, continuously running inspection program in the B&B industry. Inns applying for membership receive rigorous inspections as do existing members on a periodic basis. Independent inspectors with years of hospitality experience arrive unidentified, spend the night and evaluate the inn. No other online directory or organization of innkeepers has a comparable inspection program, establishing Select Registry as the benchmark for quality.

The Dan'l Webster Inn & Spa is located at 149 Main St. in Sandwich and can be reached at 800.444.3566. Their website is www.DanlWebsterInn.com.
